made of federative representative structures, **signatory of 21 collective labor contracts at sectoral national level, according to the European practice regarding the mutual recognition of social partners and further to the disregard of social dialogue by the Romania Govern, close the present CONVENTION wherein they decide the followings:**

1. Taking into account the lack of governmental social-economic strategies to prevent and combat the recession effects, the signatory parts ask Prime Minister to debate in the Tripartite National Council the anti-recession measures proposed by the social partners;
2. Closing an AGREEMENT at national level, on which basis the bi-lateral relations (employers organizations and trade unions) to be re-established in the agreed activity sectors and forwarded for regulation to the Government through Minister of Labor, Family and Social Protection;
3. Issuing some proposals to modify the working legislation in the aim of elimination the negative effects made upon labor market by the laws adopted through Govern accountability;
4. Recommissioning of sectoral committees as main bipartite social dialogue structures in the field of sectoral strategies and continue vocational training.
